**Aim:** *To Protect & Provide for Alliance Church Refugees.*

**Target:** £1000

**Alliance Church Update**

These are difficult times for Syria. Most of the time, the Alliance Church in Homs is closed, but the pastor is still there and takes care of the people around him. Neighbours are using the church sanctuary, an underground facility as a refuge when the fighting gets bad. The Lord's name, however, is being glorified even in the midst of this terrible situation. In the area of Marmarita, not very far from Homs, fighting is going on across the valley. But the Alliance Church members are grateful for the opportunity to serve people coming from Homs who have moved to their relatively safer town. The Church members experience the Lord's protection and guidance in times of trouble. Please remember them in your prayers.

**Church in Jordan Helps Refugees**

"Today we had a special day for children of Syrian refugees", writes Alliance pastor Nour from the Jordanian border town Mafraq. Approximately 180 children sang Christian songs, heard a Bible story and the gospel was preached. Volunteers handed out 350 meals to the children and their parents. Although the Alliance Church coordinates the project, other denominations participate as well. Every week volunteers visit approximately 60 Syrian families to listen and share God's love with them. Pastor Nour adds: "I am encouraged and blessed by the support we receive from sister Churches through the AWF." Many Syrians continue to flee their country. The Alliance Church in the border town Mafraq helps refugees with mattresses, blankets, food and other necessities. Please pray for this project and don't forget those who remain in Syria.

**The Christian and Missionary Alliance (GB) would like to say a big thank you to all those who gave to the work in Syria. So far we have raised a total of £1861.00 which is almost double the amount we were aiming for.**
